

KIDS WILL LOVE YOUR

# OBSTACLE COURSE TIMER!

**A FUN AND FRIENDLY WAY TO RACE  
TIMES ARE SHOWN ON LARGE LED DISPLAYS  
TOUCH SENSORS TO START AND STOP  
ADD BEACONS, SIRENS, AND OTHER SOUND EFFECTS!**

- The Interactive Obstacle Timer uses our Kidsensor™ Capacitive Sensors for children to activate timers
- Two modes for children to play with, an “Independent Mode” to time each child’s race independently, or a “Race Mode” which starts both timers simultaneously

## **ADD SOME BELLS & WHISTLES™!**

Add interactive audio to your play area with our Kidsensor™ and Sound Byte Player – fully customizable to suit your needs!

RMA Technologies has a wide variety of sensors, lights and sounds to create just the right atmosphere to maintain your theme while improving the overall effect and experience

From adding a simple sound effects to an elaborate system, we can help!

**Call today – create a play experience  
children will remember!**
