

KIDS WILL LOVE YOUR  
**OBSTACLE COURSE TIMER!**

**A FUN AND FRIENDLY WAY TO RACE  
TIMES ARE SHOWN ON LARGE LED DISPLAYS**

- RMA Technologies has created an Interactive Obstacle Timer which uses our Kidsensor™ Capacitive Sensors for children to activate timers to begin the race and to record finish times at the end
- Two modes for children to play with, an “Independent Mode” to time each child’s race independently, or a “Race Mode” which starts both timers simultaneously

**ADD SOME BELLS & WHISTLES™!**

Add interactive audio to your play area with our Kidsensor™ and Sound Byte Player – fully customizable to suit your needs!

RMA has a wide variety of sensors, lights and sounds to create just the right atmosphere to maintain your theme while improving the overall affect and experience

From adding a simple sound effect to an elaborate system, we can help!

**Call today – create a play experience  
children will remember!**
